Horizon Towers Projects

The Board of Directors is tirelessly working on getting proposals for upcoming projects on the Horizon Towers building.

These projects will be discussed in more detail at upcoming meetings.

UPDATE ON REPAIRS

The pool received a new sand filter as the old one was cracked and leaking.

Annual Excel fire sprinkler inspection was completed and we passed with flying colors.

Sewer line had its annual clean out. It was necessary to have tree roots cleaned out this year.

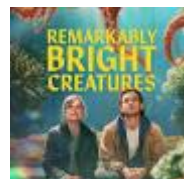

Asphalt repairs were completed by Asphalt Specialists.

Japanese Beetle extermination was completed by WD Yards and paid for by the City of Grand Junction.

OFFICE MANAGER

Welcome to our new office manager, Donna Reynolds. Stop by and introduce yourself if you haven't already. She comes with many years of experience doing property management especially with buildings such as ours. She is a master gardener with CSU Extension and enjoys all the beautiful Horizon Towers trees.

Don't forget: "Remarkably Bright Creatures"
